Ultra Chloraseptic Sore Throat Pain Relief Spray Blackcurrant Flavour

Uses

For symptomatic relief of sore throat pain.

Dosage

Over 12 years: hold breath and spray 3 times to the back of the throat. Repeat every 2-3 hours to a maximum of 8 doses in 24 hours. Children 6-12 years: use only under adult supervision. Do not use in children unable to hold their breath whilst spraying. Hold breath and spray once to the back of the throat. Repeat every 2-3 hours to a maximum of 8 doses in 24 hours. Not to be used in children under 6 years. Not to be used for more than 3 days in a row. If symptoms do not improve, a pharmacist or doctor should be consulted. This medicine should always be used exactly as described in the leaflet or as advised by a doctor or pharmacist.
