Uses

Gently softens and helps remove hardened ear wax.

Format and Ingredients

Drops containing:

Sodium Bicarbonate 5% w/v,

Dosage

Adults, the elderly and children over five years: tilt head and gently squeeze 3-4 drops into each ear. Leave for a few minutes and then wipe surplus with a tissue. Repeat once or twice daily if necessary for approximately 5 days while symptoms clear. Children under 5 years should be seen by a doctor before use to confirm a build-up of ear wax.
