

## Kalms Night One-A-Night

### Uses

A traditional herbal medicinal product used for the temporary relief of sleep disturbances, based on traditional use only.

### Dosage

Over 18 years: 1 tablet to be taken 30-60 minutes before bedtime.

One additional tablet can be taken earlier during the evening if necessary.

As treatment effects may not be apparent immediately, Kalms Night One-A-Night should be taken for 2-4 weeks continuously.

Under 18 years: not recommended.
