

Anusol Ointment

Uses

Symptomatic relief of uncomplicated internal and external haemorrhoids, pruritus ani, proctitis and fissures. Also indicated post-operatively in ano-rectal surgical procedures and after incision of thrombosed or sclerosed anorectal veins. Provides antiseptic, astringent and emollient properties which help to relieve discomfort associated with minor ano-rectal conditions. For topical application.

Dosage

Adults and the elderly: apply to affected area at night, in the morning and after each evacuation until the condition is controlled. Apply a gauze dressing or for internal conditions use rectal nozzle provided. Children: not recommended.
