

Canesbalance Bacterial Vaginosis Vaginal Gel

Uses

For the effective relief from the symptoms of bacterial vaginosis such as unpleasant odour, abnormal discharge and discomfort. Restricts the growth of bad bacteria and supports the growth of good bacteria (Lactobacillus) to restore the natural environment.

Dosage

Women: one tube daily, used before bedtime, for 7 days. Safe to use during pregnancy but a doctor should be consulted if a vaginal infection is suspected. Use should be avoided if trying to conceive. Children: not to be given.
