

## Doublebase Emollient Shower Gel

### Uses

For the management of dry and chapped skin conditions which may also be pruritic (itchy) or inflamed. May also be used as an adjunct to other topical treatments.

### Dosage

Adults, the elderly and children: apply before, during or after showering to prevent the drying and irritant effects of normal showering. Use regularly and as often as necessary.

### Format and Ingredients

White opaque non-greasy shower emollient containing: Isopropyl Myristate 15% w/w, Liquid Paraffin 15% w/w,
