

CanesMeno Hydration & Comfort Gel

Uses

For the relief of vaginal dryness, burning and itching, with effects lasting for up to 5 days. Hydrates vaginal mucosa, helps maintain vaginal pH and reduces pain during sexual intercourse. Can be used alongside HRT. Compatible with natural latex, polyisoprene and polyurethane condoms. Free from fragrance, dyestuff, mineral oils, alcohol and hormones.

Dosage

Women: apply once daily, preferably in the evening, at least 1 hour before bedtime.
