

## Freederm Treatment 4%w/w Gel

### Uses

For the topical treatment of mild to moderate inflamed acne spots and pimples.

### Dosage

Adults, the elderly and children: apply to the affected area twice daily after the skin has been thoroughly washed with warm water and soap. Caution: Avoid the eyes and mucous membranes, including those of the nose and mouth. If excessive dryness, irritation or peeling occurs, reduce usage to once daily or every other day.
