

Anusol Ointment

Uses

For relief of uncomplicated internal and external haemorrhoids, pruritus ani, proctitis and fissures by calming irritation and relieving sore, cracked skin. Provides antiseptic, astringent and emollient properties which help to relieve discomfort, and lubricating properties for use with suppositories. Also indicated post-operatively in ano-rectal surgical procedures and after incision of thrombosed or sclerosed ano-rectal veins.

Dosage

Adults and the elderly: apply to affected area on a gauze dressing at night, in the morning and after each bowel movement until the condition is controlled. For internal conditions, use rectal nozzle provided. Children: not recommended.
