

## Nuromol Pain Relief 200mg/500mg Film Coated Tablets

### Uses

For relief of mild to moderate pain associated with migraine, headache, backache, period pain, dental pain, rheumatic and muscular pain, pain of non-serious arthritis, cold and flu symptoms, sore throat and fever. Especially suitable for pain that has not been relieved by ibuprofen or paracetamol alone.

### Dosage

Over 18 years: 1 tablet up to 3 times a day with water, leaving at least 6 hours between doses. If this does not control symptoms, a maximum of 2 tablets may be taken up to 3 times a day, leaving at least six hours between doses. No more than 6 tablets in any 24 hour period. Under 18: not suitable.
