Lamisil Once 1% Cutaneous Solution

Uses

Single application treatment for athlete’s foot.

Dosage

18 years and over: wash and dry feet and hands and apply once to both feet, even if lesions are visible on 1 foot only. Leave in contact with the skin of the feet for 24 hours before washing again. Relief of clinical symptoms usually occurs within a few days but if there are no signs of improvement after 1 week, medical advice should be sought. Under 18 years: not to be used.
