## Uses

Treatment of athlete's foot and fungal infected skin folds where there are co-existing symptoms of inflammation, such as swelling, redness and itching, which require rapid relief.

## Format and Ingredients

Cream containing:  
  
Clotrimazole 1% w/w, Hydrocortisone Acetate 1% w/w,

## Dosage

Adults, elderly and children 10 years and over: apply thinly to the affected area twice daily and rub in gently. Maximum treatment period: 7 days. Children under 10 years: not recommended.
