

Syndol Headache Relief Tablets

Uses

For short-term treatment of acute moderate pain which is not relieved by paracetamol, ibuprofen or aspirin alone. Suitable for migraine, headache, rheumatic pain, period pain, toothache and neuralgia. Contains codeine, which can cause addiction if taken continuously for more than 3 days.

Dosage

Adults over 18 years: 2 tablets every 4-6 hours up to 4 times daily. Maximum 8 tablets in 24 hours. Do not repeat dose more frequently than every 4 hours. 16-18 years: 1-2 tablets every 6 hours as necessary up to a maximum of 8 tablets in 24 hours. 12-15 years: 1 tablet every 6 hours as necessary up to a maximum of 4 tablets in 24 hours. Not to be used for more than 3 days continuously without medical review. Under 12 years: not to be given.
