

Jungle Formula Dry Protect

Uses

Formulated for use in Europe and the UK. Repels all mosquito species, including the Tiger mosquito, and helps to protect against ticks, horse flies, black flies, midges and other biting insects. Provides up to 7 hours protection.

Dosage

Adults and children 2 years and over: apply carefully to all exposed clean and dry skin, avoiding the eyes and lips. Hold container about 15cm from the skin and spray with a slow sweeping motion for even application. For use on the face, spray into the palm of the hand before applying. Reapply as necessary, depending on conditions. High temperature, humidity and other environmental factors can reduce duration of protection.
