# Vertigon 25mg Tablets

## Uses

Combats the symptoms of vertigo, including dizziness and nausea caused by Meniere's syndrome, labyrinthitis and other causes.

## Dosage

Adults and the elderly: 1 tablet at night is often sufficient but 2 or 3 tablets are sometimes necessary. For some patients, more frequent administration, such as 25mg 2 or 3 times a day, may be required. Children over 10 years: 1 tablet. Children 5-10 years: half a tablet. Children 2-5 years: an oral liquid preparation is recommended. Under 2 years: not recommended.
